Our Philosophy

Our mission at Shades Crest Baptist Church Weekday Early Education Program is the development of the total child. We are here to support parents in the spiritual, emotional, mental, and physical development of their children. Believing that all children are gifted by God with individual gifts and talents, our goal is to help each child obtain his or her full potential.

We seek to provide a positive, loving atmosphere and an array of experiences to guide each child in discovering the tools for life-long learning. We nurture self-confidence and self-control through creative activities and exploration of the world around us.

We hope to help lay the biblical and educational foundation for our children to carry with them into the future. We recognize the trust given to us as we partner with families. We accept this responsibility with joy and will meet the challenge by providing the best for the children we teach.

What We Offer

We offer a preschool program for children ages 3 months through 4 years old. Our program begins at 9:00 am and ends at 1:00 pm. Extended hours are 7:30 am- 4:30 pm 5 days a week. Please refer to our class and fee schedule for days and rates available for each age group. We follow the Hoover City School calendar August-May. We do not offer a summer program.

Faculty

We have an outstanding faculty. We have qualified, loving teachers who are dedicated to teaching the whole child. Our staff is filled with early childhood educators and seasoned preschool professionals. Our faculty attends continuing education workshops throughout the year to keep up to date on the latest developments in preschool education, as well as CPR, and Health & Safety courses.
